

UK S Futures Complaints Policy

Policy statement

UK S Futures are committed to providing the best possible service that we can. We recognise that sometimes our learners or employers will feel that they have cause to complain about the service they have received.

We encourage all feedback from all stakeholders, learners and employers (clients), including complaints, and have developed a Complaints Policy and an associated Complaints Procedure. Our Complaints Policy explains our broad approach to handling all complaints. Our Complaints Procedure provides clear information on how individual complaints will be handled.

Aims

UK S Futures aims to resolve complaints quickly, fairly and effectively. We will:-

- Aim to put things right quickly for our clients when they go wrong
- Keep our clients informed of the progress of their complaint and the results of any investigation
- Seek to learn from each complaint to improve future performance
- Set performance targets for responding to complaints and monitor our performance against these targets
- Advise our clients of their right to appeal if they remain dissatisfied

Our Complaints Policy and associated Procedure will be readily available to clients from initial engagement. Together, they detail how to make a complaint and the timescales for a response from UK S Futures.

What is a complaint?

A complaint is when a client tells us that they are not happy with something that we have done or not done, and we have not put things right.

Who is a client?

A client is anyone who is engaged with UK S Futures either as a learner, employer or third-party stakeholder to request a service, or is in receipt of a service.

How can a complaint be made?

Any client wishing to make a complaint can do so by phone, e-mail, website or letter.

What is the process for making a complaint?

The process for making a complaint is detailed in the Complaints Procedure below.

Procedure

If you are unhappy with the service provided by UK S Futures - whether it is the learning experience, assessment, the support you are receiving or about staff or the organisation itself - we promise to take your complaint seriously and treat it as confidential. We also aim to resolve your complaint as speedily as possible.

Please note - If you have a complaint about any decision that we have made that affects you, for example, if you feel that you have received the wrong grade for an assessment, or you disagree with an examination result, you should use our **appeals procedures**, which we can advise you on. For all other issues and grievances, use this Complaints Procedure.

We are always pleased to receive compliments and complaints because they help us improve the service we provide, both for you and other learners. We're also interested in your ideas for improving our services and we use the information you give only to improve things. Passing on personal information about you is protected by the Data Protection Act.

Process

If you want to complain, here's what you can do:-

It helps if you complain straight away to the people involved, as they may be able to put things right immediately.

Stage 1

An informal complaint can be made verbally to a tutor/assessor or coach.

The trainer/assessor or coach should discuss the complaint with the learner/client and attempt to agree a way forward or agree a solution that suits both parties.

Learners/clients should allow the trainer/assessor or coach sufficient time to investigate or remedy the complaint raised where required to understand the facts and facilitate a solution.

Learners/clients should voice their complaint within 10 working days of the issue with which they are dissatisfied.

Stage 2

If the complaint cannot be resolved informally to the satisfaction of learners/clients, or if learners/clients feel that they cannot make an informal complaint to their trainer/assessor or coach, the complaint should be submitted in writing to:

HR Manager
UK S Futures CIC
Unit 5
Coombs Wood Court
Steel Park Road
Halesowen
B62 8BF

Learners/clients should provide a detailed account of their complaint. The HR Manager will confirm receipt of the complaint within 10 working days and outline the course of action to be taken.

The HR Manager will discuss the matter, as appropriate to be able carry out an investigation, which will involve all the relevant personnel, and will write to the learner/client within 20 working days with their findings and a decision as to whether the complaint was found to be justified.

At any stage, you can register a formal complaint by telephone using our office number – 01384 476093 or by email using enq@uksfutures.org.uk

Give as much information as you can, including times, dates, places and names.

You will get a first response within 10 working days of receipt of your complaint, and a further response within 20 days.
